MENU

A TABLE.
A JOURNEY.
A TASTE OF HOME.

India has never had just one way of eating. Every city, every region, every home has its own stories, flavours and ways of bringing people together.

At PraNam, we travel through North India one plate at a time; from the ghats of Varanasi to the streets of Agra, from the kitchens of Mathura to the homes of Lucknow.

These are dishes shaped by place, passed through generations, and made for sharing.
